“AVEC VOUS ET POUR VOUS” (AVPV) PROJECT FOR SHOCK RESPONSE AND SUPPORT TO COMMUNITY RECOVERY IN NORTHERN BURKINA

Municipality of Titao (Yaadga Region)

Partner:

OCADES

Start date:

01/07/2025

End date:

30/06/2027

Allocated budget:

1 000 000 000 XOF

Objectives

Specific Objective 1 : Respond to the needs of households affected by the protracted crisis in the municipality of Titao by enabling them to meet their food needs and strengthening their recovery through livelihood support.

Specific Objective 2 : Strengthen the capacities of communities in the municipality of Titao to protect themselves from risks related to abuse and violence in order to build the foundations for harmonious coexistence.

Beneficiaries

Direct Beneficiaries: **74 006**

Sectors of Intervention

PROTECTION

FOOD SECURITY AND LIVELIHOODS

Objectives

Specific Objective 1: Provide multisectoral, safe, inclusive, and dignified emergency assistance to meet the immediate needs of vulnerable populations in the targeted areas of Liptako-Gourma, while ensuring their protection against risks, abuses, and violence related to the crisis context.

Specific Objective 2 : Sustainably improve the food and nutritional security of vulnerable populations in the targeted areas of Liptako-Gourma by strengthening their resilience to shocks and stresses, while ensuring their protection against risks, violence, and abuses in a context of protracted crisis.

Specific Objective 3 : Promote social cohesion and peaceful coexistence in the cross-border areas of Liptako-Gourma, by strengthening inclusive, safe, and conflict-sensitive local governance mechanisms, while guaranteeing the active participation of women, youth, and marginalized groups, and protecting communities against risks of violence, discrimination, and abuses.

SERVIR

Locations: Thiou - Titao (Yaadga Region) and Djibo (Soum Region)

Partner:

**International Rescue
Committee**

Start date:

September 2025

End date:

june 2027

Allocated budget

1 975 949 GBP

Objectives

Specific Objective 1 : Provide emergency assistance and access to basic services to the most vulnerable, hard-to-reach populations affected by the crisis in the border regions of Mali and Burkina Faso.

Specific Objective 2 : Strengthen the capacities of crisis-affected communities to anticipate, manage, and reduce the impact of shocks through the development of community-based risk prevention and management mechanisms.

Specific Objective 3 : Foster sustainable economic resilience in crisis-affected communities, by supporting vulnerable households to restore, maintain, and protect diversified and climate-resilient livelihoods.
