Objectives

Specific Objective 1 : Provide multisectoral, safe, inclusive, and dignified emergency assistance to meet the immediate needs of vulnerable populations in the targeted areas of Liptako-Gourma, while ensuring their protection against risks, abuses, and violence related to the crisis context.

Specific Objective 2 : Sustainably improve the food and nutritional security of vulnerable populations in the targeted areas of Liptako-Gourma by strengthening their resilience to shocks and stresses, while ensuring their protection against risks, violence, and abuses in a context of protracted crisis.

Specific Objective 3 : Promote social cohesion and peaceful coexistence in the cross-border areas of Liptako-Gourma, by strengthening inclusive, safe, and conflict-sensitive local governance mechanisms, while guaranteeing the active participation of women, youth, and marginalized groups, and protecting communities against risks of violence, discrimination, and abuses.
